

Concept Plan C

Public Comments

- (A) Improve bus parking.
- (B) Add lighting at crosswalks.
- (C) Provide Minuteman Trail signage to draw users into the town center.
- (D) Provide large sign "Welcome to Lexington Center" on bikeway, behind parking garage.
- (E) More signage that welcomes visitors to Town Center.
- (F) Accentuate historic theme.
- (G) No crosswalk paint.
- (H) Encourage outdoor dining. Provide heat lamps for colder months.
- (I) Give the Town Center an identity.
- (J) Paving change at crosswalks to slow vehicles down and improve pedestrian safety.
- (K) Extend brick paving, street trees, and lighting to Waltham St.
- (L) Create stronger connections to parking areas using paving, landscape, and lighting.
- (M) Resolve left turn issue at Battle Green "Y."
- (N) The East gateway needs an identity to help give visitors a sense that you have arrived in Lexington Center.
- (O) Remove hedge & fence behind white building, between Edison Way & Grant St.
- (P) Pedestrian conflict with vehicles entering the driveway between Bertucci's and Bank of America.
- (Q) Provide maps of historic sites at Battlegrounds.
- (R) Screen parking lot dumpster with plant material or screen. Dumpster behind of Lexington.
- (S) Regrade entrance at town hall, cars scrape road.
- (T) No landscape center islands at Mass. Ave.
